

# SEA MENTORS NEWSLETTER

SEAFARERS Experiential Knowledge Based MENTORS,  
project no. 2021-1-RO01-KA220-VET -000029622 is led by  
the Romanian Naval Academy together with strategic partners  
Lithuanian Maritime Academy, Polish Naval Academy,  
Bulgarian Naval Academy and two companies,

The project program will be developed taking into account the specialties of seafarers their experience which have gained while serving at sea. Knowledge based on experience will be transferred through the relationship between the mentor and the mentee, focused on discovering and developing the potential of the trainees. It mainly involved the student, through regular conversations with the mentor, gaining new knowledge, getting to know himself, developing professional self-awareness and not being afraid to follow his own chosen path.

The transnational Project Meeting of the SEA MENTORS E+ Project was held in Polish Naval Academy, in Gdynia, main campus, on March 27th – 29th 2023, with the participation of 9 representatives from 4 partner countries as following: Romanian Naval Academy, Lithuanian Maritime Academy, Polish Naval Academy, Maritime Innovators and Spinaker.  
The major purpose of the meeting had been focused on the project management implementation progress and interim report approval, with the revision of the task's assignment, budget and results overview.

The project website is in place, offered by the Spinaker providing information about the project and its aims, the partners, the products and results. For promoting the project among the stakeholder or to the public, a short video with short informative video will be compiled towards the end of the project when the both the SEA MENTORS platform been fully tested and improved if necessary. The video will be developed and uploaded onto the projects Web Platform under Spinaker responsibility, latest by the final conference of the project. Also, Maritime Innovators will produce 1 video presentation for project foreseen results and utility by 01 of May 2023 (to be used for the cadets during the upcoming mentoring sessions).
